14. <u>Termination</u>.

- 14.1 This Agreement commences on the Effective Date and shall remain in effect until terminated by Covered Entity or until all the *PHI* is destroyed or returned to Covered Entity subject to Section 18.8.
- 14.2 If Business Associate fails to comply with any material term of this Agreement, Covered Entity may provide an opportunity for Business Associate to cure. If Business Associate does not cure within the time specified by Covered Entity or if Covered Entity believes that cure is not reasonably possible, Covered Entity may immediately terminate the Contract or Grant without incurring liability or penalty for such termination. If neither termination nor cure are feasible, Covered Entity shall report the breach to the Secretary of HHS. Covered Entity has the right to seek to cure such failure by Business Associate. Regardless of whether Covered Entity cures, it retains any right or remedy available at law, in equity, or under the Contract or Grant and Business Associate retains its responsibility for such failure.

15. Return/Destruction of PHI.

- 15.1 Business Associate in connection with the expiration or termination of the Contract or Grant shall return or destroy, at the discretion of the Covered Entity, *PHI* that Business Associate still maintains in any form or medium (including electronic) within thirty (30) days after such expiration or termination. Business Associate shall not retain any copies of *PHI*. Business Associate shall certify in writing and report to Covered Entity (1) when all *PHI* has been returned or destroyed and (2) that Business Associate does not continue to maintain any *PHI*. Business Associate is to provide this certification during this thirty (30) day period.
- 15.2 Business Associate shall report to Covered Entity any conditions that Business Associate believes make the return or destruction of PHI infeasible. Business Associate shall extend the protections of this Agreement to such PHI and limit further Uses and Disclosures to those purposes that make the return or destruction infeasible for so long as Business Associate maintains such PHI.
- **16.** <u>Penalties</u>. *Business Associate* understands that: (a) there may be civil or criminal penalties for misuse or misappropriation of *PHI* and (b) violations of this Agreement may result in notification by Covered Entity to law enforcement officials and regulatory, accreditation, and licensure organizations.

Training. Business Associate understands its obligation to comply with the law and shall provide appropriate training and education to ensure compliance with this Agreement. If requested by Covered Entity, Business Associate shall participate in Covered Entity's training regarding the Use, Confidentiality, and Security of PHI; however, participation in such training shall not supplant nor relieve Business Associate of its obligations under this Agreement to independently assure compliance with the law and this Agreement.

18. Miscellaneous.

- 18.1 In the event of any conflict or inconsistency between the terms of this Agreement and the terms of the Contract or Grant, the terms of this Agreement shall govern with respect to its subject matter. Otherwise, the terms of the Contract or Grant continue in effect.
- 18.2 Each party shall cooperate with the other party to amend this Agreement from time to time as is necessary for such party to comply with the Privacy Rule, the Security Rule, or any other standards promulgated under HIPAA. This Agreement may not be amended, except by a writing signed by all parties hereto.
- 18.3 Any ambiguity in this Agreement shall be resolved to permit the parties to comply with the Privacy Rule, Security Rule, or any other standards promulgated under HIPAA.
- 18.4 In addition to applicable Vermont law, the parties shall rely on applicable federal law (e.g., HIPAA, the Privacy Rule, Security Rule, and HITECH) in construing the meaning and effect of this Agreement.
- 18.5 Business Associate shall not have or claim any ownership of PHI.
- 18.6 Business Associate shall abide by the terms and conditions of this Agreement with respect to all *PHI* even if some of that information relates to specific services for which Business Associate may not be a "Business Associate" of Covered Entity under the Privacy Rule.
- 18.7 Business Associate is prohibited from directly or indirectly receiving any remuneration in exchange for an *Individual's PHI. Business Associate* will refrain from marketing activities that would violate HIPAA, including specifically Section 13406 of the HITECH Act. Reports or data containing *PHI* may not be sold without Covered Entity's or the affected Individual's written consent.
- 18.8 The provisions of this Agreement that by their terms encompass continuing rights or responsibilities shall survive the expiration or termination of this Agreement. For example: (a) the provisions of this Agreement shall continue to apply if Covered Entity determines that it would be infeasible for *Business Associate* to return or destroy *PHI* as provided in Section 14.2 and (b) the obligation of *Business Associate* to provide an accounting of disclosures as set forth in Section 12 survives the expiration or termination of this Agreement with respect to accounting requests, if any, made after such expiration or termination.
